Left Side Chair

ASSEMBLY INSTRUCTIONS

Read these instructions carefully and keep for future reference. Refer to parts inventory for guidance, and ensure you have all pieces before starting.

When assembling, place all parts on a soft, clean, and flat surface such as a carpet to prevent scratches.

If you’re having difficulty, our friendly Customer Care team is always here to help. Call us at **1.888.746.3455** during business hours, email **service@article.com** or chat live at **article.com**.

TIME

OF PEOPLE

DIFFICULTY

! Hardware may loosen over time, check the bolts regularly and tighten if necessary.

CONNECTING KEZIA MODULES

If you'd like to build a custom Kezia configuration, you can link your Kezia modules by using the connector bracket provided.

Attach connector bracket (H) to the underside of one module.

Align modules and attach connector bracket (H) onto other module.

The Kezia left side chair can only be connected on one side.
