ASSEMBLY INSTRUCTIONS

Read these instructions carefully and keep for future reference. Refer to parts inventory for guidance, and ensure you have all pieces before starting.

When assembling, place all parts on a soft, clean, and flat surface such as a carpet to prevent scratches.

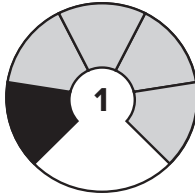

If you’re having difficulty, our friendly Customer Care team is always here to help. Call us at **1.888.746.3455** during business hours, email **service@article.com** or chat live at **article.com**.

Hardware (C/D) to attach brackets to wall is designed for drywall. To attach this unit to another type of wall, consult with your local hardware store.

1

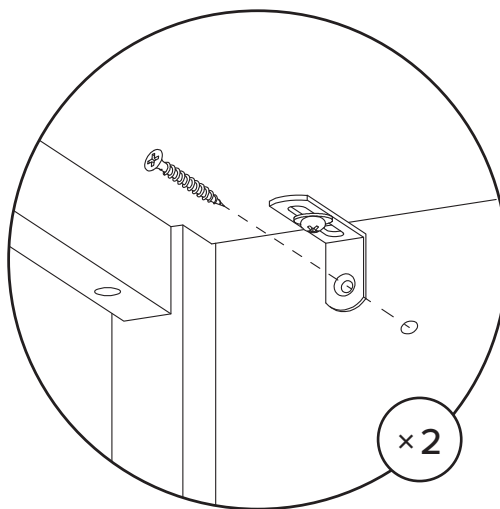

! Attach the bracket (A) into the underside of the top shelf as shown in the illustration. use screw (B) and washer (E) to attach the bracket into the pre-drilled hole underside of top shelf.

2

Place unit in desired location and mark on wall where holes should be drilled.

Drill holes into drywall, and attach unit to wall with appropriate hardware.
