Assembly Instructions

GEMMA

Sconce

ASSEMBLY INSTRUCTIONS

Read these instructions carefully and keep for future reference. Refer to parts inventory for guidance, and ensure you have all pieces before starting.

When assembling, place all parts on a soft, clean, and flat surface such as a carpet to prevent scratches.

If you're having difficulty, our friendly Customer Care team is always here to help. Call us at **1.888.746.3455** during business hours, email **service@article.com** or chat live at **article.com**.

1

CAUTION
Turn off power at main circuit pannel before starting installation.

Thread wires through mounting bracket iron round (C) before attaching to junction box.

2

Match up wires by color and attach with wire nuts (E).
BLACK: Hot Fixture
WHITE: Neutral Fixture
GREEN OR BARE COPPER: Ground wire

If junction box does not have a green ground wire, attach ground wire from lamp to short green screw (D) on mountingbracket.
