Assembly Instructions

LENIA

Full/ King/ Queen Paneled Bed

ASSEMBLY INSTRUCTIONS

Read these instructions carefully and keep for future reference. Refer to parts inventory for guidance, and ensure you have all pieces before starting.

When assembling, place all parts on a soft, clean, and flat surface such as a carpet to prevent scratches.

If you're having difficulty, our friendly Customer Care team is always here to help. Call us at **1.888.746.3455** during business hours, email **service@article.com** or chat live at **article.com**.

! Structural integrity is warranted only if all fasteners are properly installed & tightened, and the bed is moved only per instructions.

DO NOT use power tool.
Use only recommended
hand tools.

5

8

TO REMOVE

- ! Unscrew bolts from center leg brackets and floating center legs (6) before attaching to center beam (5).

9

- ! Attach floating center legs where labels are situated on center beam (5). Ensure that legs are straight, perpendicular to center beam.

10

! Adjust levelers on floating center legs to allow for a 2-3mm clearance.
